

Our Mission Statement

Cedar Lumber, Naturally

The mission of Sound Cedar Lumber Company is to be a Steward of our environment; a provider of exceptional value to our customers; a source of pride and team spirit to our employees; and a productive community member.

We promote the benefit and use of real wood and real wood products, a renewable resource. We offer our customers advanced levels of product knowledge, sound advice, fair prices and a culture of customer service excellence. We encourage teamwork in a safe, healthy and enjoyable work environment.

Since 1980, Sound Cedar Lumber Company has been conducting business with honesty and integrity, providing the best value and best products available in the market today.
