

Shipping Service

Sound Cedar has been shipping loads all over the world for decades. The quality of our products has been in demand from local buyers, as well as France and the Czech Republic. When it comes to crating and shipping your load, we take care of it all.

International Shipping

We ship via road, rail and ocean direct from the northwest. We are closely located to Seattle and Vancouver seaports for container shipping.

Required Documents

Sometimes international shipping requires additional paperwork. Our team of experienced associates can help you with this process. Buy with confidence from Sound Cedar, you will be glad that you did.
